

Help Out on State Natural Areas

Ridgeway Pine Relict Workday

Join in! Ridgeway features towering cliffs of pine with northern plant species underneath and extensive oak savanna. Help the Friends of Ridgeway Pine Relict, Inc. care for this site by removing invasive plants and planting native plants. Workdays are regular including once a month on the second Friday. We will be collecting seeds this month to put into areas to be brush cleared. No experience is necessary, you will be trained on site.

Date: Second Friday of the month

Time: 9am-noon

Directions: From Barneveld, take 151 west to Ridgevue road. Take the exit for Ridgevue road and turn right (north) to follow Ridgevue about 1 mile to a parking lot on the west side of the road. [Google map](#). Note google maps does not have the new exit updated at last check.

What to wear: Dress for the weather and wear clothes that are OK to get beat up.

What to bring: Leather gloves, drinking water, sturdy scissors- we will have some equipment available for volunteers to use.

Contact, RSVP: If you plan to come please contact Mary Kay Baum at marykbaum@gmail.com or (608) 935-

Ridgeway workday
